Market on the Lawn

May 6th

10am-2pm

Applications Due by: April 14th

What is CONNECTIONS: Connections is a private non-profit clubhouse operated by Catawba Valley Healthcare. We are located at 1679 Southwest Blvd in Newton (beside Southside Park). Our mailing address is PO Box 1256, Newton, NC 28658. We have been in operation since 1990, serving community adults who live with symptoms associated with severe and persistent mental illness.

Who is eligible to participate? Our vision is to attract **area artist, craftsman and antique vendors**. ***This is NOT a yard sale/tag sale.*** Connections' festive community event will offer DJ music, Bam's Sandwich Bistro Food Truck will be available for food and drinks. Only one Multi Level Marketing (MLM) vender of each product type will be accepted (examples: one MLM selling candles, one MLM selling Jewelry). Artist and crafters will not be limited by this regulation.

Booth Space: Booth rental for Market on the Lawn is \$40.00 for a 10'x10' space. Vendors will need to provide their own fire retardant canopy, tables/shelving, chairs and the like. All booths must be sturdy and prepared for weather conditions. ***Sites do not have access to electricity.*** ***This will be a rain or shine event.*** Booths will be pre-assigned.

Set Up Time: Setup time will be between 8 am and 10 am (*all set up must be complete by 10 am. Late arriving vendors will not be able to participate. The event is scheduled from 10 am to 2 pm.*) **Vehicles need to be unloaded as quickly as possible and then parked in a designated parking area.** (*All vendors will be directed to park in designated parking. Please see map attached. Future maps will be provided with acceptance package.*) **After parking, the booth can be set up thus enabling other vendors access to unload their equipment/merchandise.**

Tear down time is between 2 pm and 3pm (*tear down should not start until 2 pm and be completed by 3pm*). Vehicle access to tear down is on a first-come, first-serve basis. All items need to be packed and ready to load in the vehicle before moving the vehicle to the booth site, thus enabling access for all vendors to pack up as timely as possible.

 2. Attach 2 photos of products.
 3. Include website or other social media sites to share your booth profile.
